**MEET FORMAT:** This is a prelim finals meet with A B C & D finals for events of 200 meters or less. The 400 Free and 400 IM are prelim/finals with A B & C finals. The 800 free, 1500 free and all relays are timed finals.

Preliminary events will swim slowest to fastest with the exception of the 400 Free and 400 IM. Finals will swim slowest to fastest. The 800/1500 Free and all relays will swim fastest to slowest. There will be a 10 minute break before the relay events.

The meet referee reserves the right to run this meet utilizing chase starts and or fly over starts dependent upon the number of participants and officials. If chase starts are utilized women and men will swim alternating heats with the women starting from one end and the men starting from the opposite end. In addition, if there are a large number of heats of the 800 and or 1500 freestyle, the meet referee reserves the right to split these distance events over more than one session.

Preliminaries will be run with swimmers starting from both ends of the pool if chase starts are utilized. Finals will start from one end only (Lobby end). Eight (8) lanes will be used for both prelims and finals. Men and women will alternate starting ends each day. Additional information will be available at the 6:00 PM Wednesday General Meeting.

**SEEDING:** Non-conforming times will be seeded last. LCM times are the conforming times followed by SCM times followed by SCY times, then bonus events. The fastest 3 heats in prelims will be circle seeded.

**SCRATCH RULE:** There are penalties if you qualify, fail to scratch and fail to swim in finals. On Thursday, Friday, Saturday and Sunday there are penalties if you fail to scratch and fail to swim in prelims.

The scratch box will be located at the clerk of course table.

**PRELIMS:** Prelim sessions will be seeded the evening before. Swimmers must scratch by 6:00 PM any event that they will not swim the next day. If swimmers do not scratch and do not swim in a prelim event there is a fine of \$50. Swimmers will be barred from all competition (individual and relay, at this meet or any future meets at the UH Campus Rec Center) until all fines are paid. Fines are payable to **HOUSTON COUGARS**.

**FINALS:** The finalists and alternates for finals shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals or consolation finals if he has successfully completed the event in Prelims) may be moved into finals due to scratches, therefore all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet.

**SCRATCH RULE:** Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists (including the "A", "B", "C", and "D" Finalists) set at this point may be subject to the \$50 fine, even though any qualified swimmer may be moved into finals.

Any finalist, this does not include alternates, who fails to scratch and fails to compete is subject to a \$50 fine. Swimmers will be barred from all competition (individual and relay, at this meet or any future meets at the UH Campus Rec Center) until all fines are paid. Fines are payable to **HOUSTON COUGARS**.

Failure to compete in finals on Sunday will result in a \$100 fine to the Team (or swimmer, if unattached) for each empty lane. Fines are payable to **HOUSTON COUGARS**.

<b>SCRATCH DEADLINES:</b> Thursday Prelims scratch/"early on-deck" deadline	<b>Close of General Meeting, Wednesday July 15.</b>

The fastest heats of the 800 and 1500 free, both women and men, electing to swim in finals, will swim at night during finals. All other heats of the 800 and 1500 free will swim fastest to slowest, alternating heats of women and men at the conclusion of prelims on Thursday and Sunday.

**RELAYS:** Relay events are timed final events. Teams are not limited on the number of relay entries. Relay swimmers must be qualified to swim and entered in an individual event. Relays will be deck seeded. The fastest two heats of women and men in each relay will swim at night during finals, fastest to slowest. All other heats will swim during prelims, fastest to slowest. Relay cards are due by 11 AM for morning swims and 6:00 PM for evening swims. Relay cards not received on time will be considered scratches. Any relay that is entered on-deck at a Prelim/Finals meet, where the relays are divided between swimming in the morning/prelim session and the evening/final session, shall be limited to swimming with the morning session, unless there are open lanes in the evening session.

**PROOF OF TIME:** Times submitted to qualify for this meet must be pre-proved. Times achieved at the meet cannot be used to prove entry times. Proof must be submitted with your entries. The Team Manager "Proof-of-Times Report" is sufficient for proving entry times achieved at meets listed in the USA Swimming database. To prove all other times, fill out the attached Proof-of-Time information form and return the form along with official printed results from high school, NCAA, or YMCA meets or printouts from the respective web pages. 8. Any relay that is entered on-deck at a Prelim/Finals meet, where the relays are divided between swimming in the morning/prelim session and the evening/final session, shall be limited to swimming with the morning session, unless there are open lanes in the evening session.
